Such as, the everyday low prices, high quality products, and excellent customer service.

A collage of images and text boxes. At the top left is a photo of a grocery bag filled with fresh produce like corn, tomatoes, and leafy greens. To the right of this are three overlapping speech bubbles with red borders containing the text: 'Easy, Convenient, and Saves Time', 'Handpicked by our personal grocery shoppers', and 'Freshness Guaranteed'. Below the produce photo is a section titled 'Delivery Powered by' with logos for Postmates, DOORDASH, and a note that 'Curbside pickup is just \$2.99'. At the bottom right is the 'IGA EXPRESS' logo with 'Powered by rosie' underneath.
