Group Tours and Vacations...

Perkiomen has offered safe, reliable group transportation since the 1920's. In the early 1950's, the company began packaging bus tours and vacations. Today we offer a full assortment of motorcoach tours to major North American travel destinations including National Parks, sporting events, concerts, Niagara Falls, Broadway shows, NASCAR races, festivals, theme parks, historic sites, etc.

Our coach tours range in length from one day to several weeks as we visit interesting vacation destinations such as New York City, Washington, DC, Philadelphia, New England, Disney, Phillies Spring Training in Clearwater, Florida, Charleston and Savannah, the Grand Canyon, Yellowstone, Mount Rushmore, Branson, Nashville and more.

Our motorcoach tour selection changes regularly, so be sure to visit our website often!
